- **For more information visit [www.13thenfield.org.uk](http://www.13thenfield.org.uk) or email me on [kaa@13thenfield.org.uk](mailto:kaa@13thenfield.org.uk)**

## Autumn term programme

Well our term is well under-way and we have already been busy measuring ourselves (hand, feet and height), our Roald Dahl day which also went towards our healthy eating badge, our entry to the district craft competition (individual and group entries), which goes towards our creative badge and our colony is getting bigger every week with new beavers starting or just about to start.

Over the next few weeks we will be completing various fun activities and visiting churches as part of our Faith badge and Promise challenge, Healthy Eating badge and Fitness Challenge.

### Visit to OLSG Church

On Friday 18th October we will be visiting Our Lady of Mount Carmel and St. George (the parish church of 13th Enfield part of our colony). We will have a tour of the church, a little activity sheet to complete and a discussion on good and bad. (this goes towards elements of our Faith badge).

Please drop off your son/ daughter at the front of the church entrance at 5pm and pick up at 6.15pm as usual. Please note that parking is often tricky and be aware that we will have lots of young beavers walking around the outside of the church.

### Group size and Waiting list:

There are currently 10 invested beavers (including Stanley who makes his investiture promise today ) plus 4 new beavers who started last week (Marek plus triplets Imogen, Toby and Noah), in 2 weeks William will also join us. We then have 13 other children on the waiting list from aged 4 to 5. We may have a couple more over the next couple of weeks. This means that soon the waiting list to join will be full, which is brilliant. Having a full colony means we will shortly be putting the beavers into 1 of 4 lodges. The lodges will work together in teams and look after each other. They will be having their woggle changed colour to match their lodge. More of this in a couple of weeks.

## How can you help?

If you log onto the online scout manager link that the group scout leader (Peter) sent you in order to sign up, the names/ descriptions of the sessions coming up are there.

Thank you in advance for parental support each evening, it really means the beavers have more support with the activities we do and we can be more

adventurous with our planning.

If you would like to help more regularly, then we would love to have more helpers with our growing colony. You will need to fill out an occasional helper application form and a CRB

check done. If you want to be a permanent assistant leader then that would be brilliant too. The process is not too daunting, and from my own experience, being a beaver scout leader is so rewarding. Everyone can do it, I have a full time teaching job plus 2 young boys and this fits in perfectly.
